UCF Pegasus Gold: Academic Merit Scholarship 2018-2022, Dean's List for Fall 2018, President's Honor Roll for Spring 2019, Fall 2019, and Spring 2020

Work Experience:

UCF Design Group – Web Designer   August 2020-Present Orlando, FL/Remote

- Design and manage over 150 pages for the UCF Office of Student Involvement and Student Government using WordPress, HTML, CSS, Bootstrap 4
- Strategize, build, and maintain web solutions that meet university brand standards to promote accessibility and tailor web and mobile user experiences
- Create wireframes and prototypes for user interactions using Figma and Adobe XD

Projects:

Knight Hacks Hackathon: TrunkSide – Lead Designer   October 2020

- Led the UX/UI design strategy for mobile application designed to simplify curbside pick-up for Orlando customers and restaurants
- Built dynamic prototypes for three screens using Figma and provided solutions that strengthened the application experience and identity
- Used knowledge of React to learn the basics of Flutter and participate in pair programming with each teammate as an observer

Butterscotch Bakery   October 2020

- Leveraged HTML, SASS, PHP, and Bootstrap to create a dynamic website with four pages for a fictitious bakery
- Currently working on log in features that will allow users to create an account and place an order with PHP and JavaScript

Activities:

Member of UCF Association for Computing Machinery ACM-W Chapter

- Mentee in Mentorship Program dedicated to empowering women in technical fields and member of Web & Mobile Development Committee

Skills:

Languages: HTML, CSS, JavaScript, SASS, PHP, C, Java

Frameworks & Libraries: Bootstrap, React, jQuery

Tools: Node.js, Git, GitHub, Figma, Adobe Suites, Microsoft Office
